I think my fondest memory of Mago will be of him laughing heartily.

Sorry we will not be there to attend in person, but will be there in spirit. We plan to view the livestream as well.

My dad was the greatest! He used to always pray for me and my family every time we traveled back and forth to Houston. This always meant a lot to me to have his prayers of protection over my family and I know I'll always have a personal angel in heaven watching over me, my mom and our entire family! I miss you deeply already daddy! 💞
