“ Alcorta Family: Our thoughts and prayers go to each of you for peace and comfort during this difficult time. Uncle Tony is a great man! He always had sweet tea in the fridge when we would come over. The water cup fights we would have in the driveway! We will miss him but know he is resting in peace. Love y'all!

“ Is this the Tony Alcorta that worked at CMTL for Dan Jacob's in the 70s of SW Military across from South Park Mall? I remember his wife's name is Delia

“ Oh how I'll miss you Tony. It's so unfair how life robbed you of what could of been the best "Senior" years of your life. Our conversations were always the best. Your contagious laughter always so pleasant to hear. I'm just so heartbroken that I'm having to sign an obituary registry for you. So many good memories of us and our crazy family. The Casanova's are one in a million. Thank you for being by my side at Sur Zarzamora when I accepted Jesus Christ as my Lord and Savior. Because of you and Delia I'm a better Christian. You made sure to keep me on my toes and and on the right track making sure I never steered far from Jesus Christ. I'll forever be great full to you for that. My fondest memory of you is picking you up from work on Military Dr. and insisting my Dad stop and HEB for Ice Cream and Cookies. My parents couldn't really afford dessert (other than homemade desserts my mom would make) for us most of the time but when my Dad said, "Let's go get Tony" I knew that meant we were having Ice Cream and Cookies!! Silly, I know but it's the little things like that, that I'll treasure forever! You should still be here!!! I love you and thank you for being "Everyone's Favorite Cousin" You had no favorites, you loved us all the same. Please Save a Place for us! This is not goodbye, rather we'll see you soon. Rest in God's Eternal Peace.

Delia, David, Steph and Twins, May God comfort you during these difficult times and give you strength to face the days ahead. God only takes the best and you know Tony was definitely one of the best! Find comfort in knowing we will all be reunited with our loved ones one day. Cherish each and every memory you have and continue to live his legacy, that's what will get you through your toughest days. I love you and know that you continue to be in our thoughts and prayers.

Much Love

“ Hermana Delia y familia. Tuvimos la oportunidad de convivir con ustedes por algun tiempo y fue un placer de servir a DIOS juntos varias veces. Los acompañamos en este tiempo de la separación temporal de este varón de DIOS. Aunque sabemos donde fue y que nos veremos nuevamente, nos deja un vacío que sabemos que DIOS llenara.

Les deseamos la Paz y el consuelo de Jesucristo en este tiempo.

“ Delia, David, Stephanie, Daniel and Manuel.....We are there with you in spirit and love today. We take comfort and peace in knowing that Tony is rejoicing with our Heavenly Father! He is know your guardian angel from above. I will always remember our trips to the Guadalupe River, Garden Ridge State Park, camping trips and family trips we took as growing up. These are fond and great memories that I will treasure forever. I will miss his laughs, corny jokes and just the way he made us feel loved and welcome every time we visited. He was a man with such a big heart and blessed to have him in our lives. I love you all very much and will continue to pray for peace and comfort for the days to come. RIP Tony and fly with the Angels!!

Love,

“ Uncle Tony, I will always remember our trips to the Guadalupe river, the trampoline in the backyard, washing dishes with you, going to Fiesta Texas, your football talk with Cruz and how you were always good to me, Cruz and our 8 kids. You were an uncle who always have me good advice during our talks. I'm saddened you left this way, but I know you are rejoicing in Heaven now. We will always love you, rest in peace  
Uncle Tony
