“ Carolyn and family: I received a notice about Charlie and it brought back memories of times shared. Unfortunately, through the years our contact faded, but special thoughts are still there. My sincerest and deepest sympathy. Joyce Theis

“ I would like to offer my most sincere condolences the Serold family. I had the privilege of working with Mr. Serold at Randolph AFB as 22 year Staff Sgt. While I was in the AF. He gave me invaluable advice on work, but more importantly on life and the military which was influential in my decision to make the military. He shaped and influenced a lot of young men and women who came in contact with him. God bless him and all his family.

“ I will love and miss you Dad forever. You always gave us your time, expertise, and your ability to make us laugh in any situation. I know you're in heaven now thumping on the pearly gates and giving God your advise on its construction. I will love you forever Dad. I'll see you in heaven Dad one day.
