“ Bro. Dan inspired me as a youth to be active and dedicated to God's service...he supported all ministries in the church and connected with the youth in such a way that we all felt like our church was simply one big extended family supported in our Christian walk with God and able to follow God's calling. That is such a precious attribute that not all pastors have, but would certainly be amazing if all pastors did. Thank you Bro. Dan for blessing my marriage and for showing such love to my husband that he immediately felt safe and secure and convicted to be a part of the United Methodist Church. Thank you for baptizing my children and placing them under God's care. Your walk with Christ and your beautiful service to all those who God entrusted to you, was such an inspiration for me and for so many others. I thank God for blessing me with such an incredible role model; along with your wonderful wife as well...thank you Billy for your support and your continuous love ...From our entire family, Janie Rose, Matthew, Tiger, Christian and Giovanni Alejandro.

“ Bro. Dan was one of the Elders who placed his hand on my head when I was ordained as Elder in the United Methodist Church on June of 1972 at La Trinidad United Methodist Church of San Antonio, Texas. Dan's father, Rev. Amado Rodríguez was my Grandfather Pedro Gómez's pastor in Carrizo Springs in the 1930's. Dan was pastor to my parents, Rev. Luis and Rosario Gómez. He was also pastor to my wife Juanita, my two daughters, Laura and Amy, and to me for eleven years (1987 to 1998).

“ So Bro. Dan officiated my wedding in 1992 and called my husband the wrong name! To this day I like to joke with my husband on our anniversary and call him by that name. .  
He will always be my pastor of La Trinidad.
