

## David Knopp

July 23, 1933 - September 10, 2019

David Knopp went to be with God on Tuesday, September 10th, 2019. David was a longtime resident of San Antonio, Texas. He was born July 23, 1933, to Mary Flint Knopp and Max Knopp in Fredericksburg, Texas. David was a loving husband, father, grandfather, and great-grandfather.

His favorite game to play was football, although he felt it was a waste of time to watch. If he couldn't "play" football he wasn't interested. He was a favorite of the Billie fans during his high school years. He received a scholarship to Texas Lutheran University but gave it up after a year for football in the Air Force. His wife, Judy, often teased him that he never had to fight during his time in the military because the "team" could not afford for him to be injured during battle.

David worked many years for the Department of Motor Vehicles before opening San Antonio Auto Title Service. If you had a car title problem he could find the solution.

David was an extremely hard worker who seemed to not understand that it was okay to rest. He actually considered yard work resting but still took time to enjoy a beer or two or more on the patio at day's end.

David is survived by wife, Judy Knopp; daughter Karen Klein and husband Greg, and daughters Kathy, Kim, and Kristy Knopp; step-daughter Annette Griffith and husband Jeff and step-daughter Roxy Sunvison. He is also survived by grandchildren Jason Hicks, Libby and Joey Klein, Jeremiah Luna, and Gabbi, Max, and Katie Griffith; great-grandchildren Aislin Hicks and Natalie Luna. Also surviving David is twin brother and best friend, James Knopp and wife Agnes. David is also survived by brother-and sister-in-law Trey and Gay Lynn Wilson. He is also survived by numerous nieces and nephews. David was preceded in death by sister Irene Luckenbach and husband Wes.

He will be forever missed by all of us who loved him so much.

A celebration of David's life will be held on Wednesday, September 25th at 2:00 PM at Knopp Assisted Living, 202 Billie Drive, Fredericksburg, TX 78624.
