

David R. Ramirez

January 12, 1956 - May 21, 2018

The man. The myth. The legend. David R. Ramirez peacefully slept his way into eternal rest in the early morning of Monday, May 21, 2018. He is preceded in death by his loving parents, Bartolo M. and Olivia R. Ramirez; and wife, Juanita T. Ramirez. Born on January 12, 1956, in San Antonio, Texas, David was a 1974 graduate of Harlandale High School, where he was also a member of the ROTC program. At the tender age of 16 years old, David lost his father and assumed the responsibilities of helping his mother provide for his family and three siblings. His first job was at La Fiesta Groceries on S. Flores Street. Over the years, he continued to work as a truck driver for different bottling companies. Prior to his illness, David was working for the San Antonio Water System in maintenance, cleaning the purification tanks out at the Martinez-Losoya plant location. He was always a hard worker and was disciplined in his work ethic.

David had such a sense of humor and laugh so infectious that you could not help but love him. He was the best at telling jokes and could whistle so crisply, that it left you in awe of how he could make such sounds. To say that he was the life of the party would be an understatement. David's hobbies included fishing and playing pool. In his early years, he coached and played softball with various teams. As the years went by, he enjoyed going to bingo halls, buying scratch-off cards, and loved to go to Coushatta with his dear companion, Blanca. He truly was a dancer throughout his lifetime. He loved the Dallas Cowboys and loved watching games with his son, but there was nothing he loved more than his grandchildren, of which he was so proud. David will be greatly missed by all who knew and loved him. He is survived by his only son, David Jason Ramirez; daughter-in-law, Bianca; grandchildren, Gabrielle, Xavier, and Calliope Rhea; sisters, Linda M. Ramos and Cynthia Ann Ramirez; brother, Rudolph "Rudy" Ramirez; numerous nieces, nephews, and wonderful friends; and his loving companion, Blanca R. Garcia. David is now on a journey – a reunion – with family and friends he has not been able to see in such a long time. His new endeavor takes him to a wonderful place where he will be socializing, dancing, and playing softball to his heart's content. The impact of David's loss will be great, but the legacy he leaves behind will be greater because he was a part of it. Because of David's strength and bravery, WE WITNESSED miracles. Because of David's love and compassion, WE BELIEVE in miracles.

“ Jason and family, Linda, Cindy, Rudy, and extended family. What an immense loss for you and for all of us. Our sincere sympathy and condolences to all in this time of sorrow. Seeing David was like seeing his Dad and my brother Bartolo (Butch) walking the earth again. His eyes, his face, his smile, his sense of humor, and yes, his belly were all part of his Dad's persona. David always, a smile, a joke or a quip of words with everyone he met. David never met a stranger. During football season, David would routinely call and discuss the recent cowboy game. If they won, he was happy, if not he would talk bad about them in Spanish. I never quite understood that. Maybe he thought that I didn't understand Spanish and he really wasn't talking bad about them. David loved his cowboys. We will all miss David. God has taken him away physically, but all the joy and memories he has left behind, will live in our hearts forever. Rest in peace our beautiful soul and may God bless everyone you have left behind.

Again, our deepest sorrow
