“ My condolences to Donna’s family. I just found out that she passed. I’m so sorry I didn’t attend her funeral. Donna was always such a kind and elegant lady. We spent many days together, had long talks and shared our hopes, dreams and especially our spirituality. I have to say, when I saw her picture, my heart was saddened but also filled with the love that Donna always shared with others. Prayers for Donna and her family. May God perpetual light shine upon her and may Donna Rest In Peace.

“ There are so many memories, and I can't just choose one. I will keep my promise to you.

You shaped me into who I am, and all the lessons you taught me will never be forgotten. Mom, you gave me life, and I am so thankful you let me help you pass on to the next phase. I feel you near me, and will see you in my dreams. I love you forever and always Mom One of your roses ~ Cindi
