“ Teeny lived a couple of doors down from my grandmother as I was growing up. She would always play Jesus loves me. She was the sweetest most kind and generous person I have ever known. She will truly be welcomed in heaven. I loved her as my own grandmother. I love and miss you Teeny.

“ Joe Neal and Family,

I was so very sorry to hear of your Mom Teeny's passing. You are all in my thoughts and prayers. Teeny was like a second Mom to me growing up on Palomino Drive. She always had a smile and a hug for everyone. She was the most devout Christian that I have ever had the honor of knowing. I love her dearly! So very many of my most happy childhood memories include Teeny. Like playing scrabble and 42 with her and her Sister Dorotha and Mother Opal. On Halloween she handed out her delicious caramel popcorn balls with the bible verse included. She taught me how to cook, clean and sew. She always let us know how much God loves us. And we knew it was true because of how wonderful she was. Thank you for sharing her! I know she is watching down from heaven shining upon us. Love always, Dee Dee

“ Teeny my best friend, I know that you are resting in our Saviors arms. We met in 1964 or 1965, we taught Sunday School and sang in the choir together. We took "One Day At A Time" and agreed that each day was "It Is Well With Our Souls." I have missed our talks on the phone.  
You brought joy into the lives that you touched. My family loved and loves you very much and will miss you.

“ Teeny Brown will always remain one of my most precious friends. It has been my privilege to be her pastor for ten years. In that time, I never heard a disparaging word about anyone, nor a discouraging word about anything. Teeny's love for Jesus and for teaching children of His grace fueled her with great energy. She loved her family, her friends, and her church. She is among the most godly persons I have ever known. Teeny will be missed and remembered with great admiration and love.
