

Garrett Richard Joiner

September 1, 2000 - October 20, 2020

Garrett Richard Joiner, gone much too soon, but will never be forgotten. Garrett passed away on October 20th, 2020 in San Antonio, TX. He was born in Irving, TX on September 1st, 2000. Garrett was beloved by so many friends and family members. Garrett was intellectual beyond his years. His genius level intelligence and exuberant work ethic made him one of the most successful young architectural designers of his time. Although, his immense humility would never let you know how truly smart he was. Garrett was always the one to lend a helping hand wherever, whenever and to whomever. Yet, he never asked for a single thing. He was the most kind hearted person, he didn't have a mean bone in his body. He was gentle and loving to all. His funny and sweet personality will forever live on through his beloved mother Cedar Joiner, father Donald Joiner, his sisters Alex and Ashley Holifield, Christopher Greer, his cousins Grant, Kirsten, Griffin, Luke, Eric, Paul and Aaron, his aunts and uncles, his multitude of friends, as well as, all of those whose lives he deeply touched through his years of selfless service. Life will never be the same without you. We will love you forever!
