

James Burton Finney

November 2, 1926 - July 9, 2020

James Burton (Burt) Finney

November 2, 1926 – July 9, 2020

Burt Finney born on November 2, 1926; went to be with the Lord on July 9, 2020 at the age of 93. He is preceded by his wives Peggy Jean Finney and Louise Olga Finney. He is survived by his daughter, Carolyn Patalik and son, Alan Finney. There are 6 grandchildren and 9 great-grandchildren.

Burt was born and raised in San Antonio. He served with the Navy during WWII from 1944 to 1946. He worked for 33 years at Curtis 1000 in the Houston area where he lived and raised his family prior to moving to Lake Livingston and then to Canyon Lake when he retired. Burt loved hunting and fishing and spending time in the outdoors with his kids and grandkids. He was a very devout Christian who had a deep faith in the Lord. He loved leading the family in prayer during all family gatherings and he made it his life mission to ensure his family knew that God was the reason for our lives and daily existence.

The lives of all those who knew Burt were all the better because of his positive influence and his being the example of honesty, integrity and doing & saying what is “right”.

There is now a big void in our lives, but Heaven is that much better to now receive Burt’s beautiful soul. His presence and love will be missed dearly by all.

A private “immediate family” only viewing service will be held on Sunday, July 12th, followed by a graveside service at 11:00 a.m.

(A celebration of “Burt Finney’s life” will be at a future date to be announced.)

(In accordance with CDC safety precautions, we ask to wear a mask and practice social distancing. There will be limited seating for those allowed to attend services. For everyone’s safety please honor the family from a distance. We kindly thank you in advance.)
