Jane A. Starling

March 15, 1934 – July 20, 2019

Ida Jane Starling, Janie to most, 85, born in Gonzales, Texas to Robert and Tiny Armentrout, went to be with the Lord on July 20, 2019. Preceded in death by her mother, sister, father, brother, husband Henry, and son, James. Survived by daughter-in-law, Karen, grandchildren Heather (Derrick) Jarzombek, Hannah, and Emerald, and great grandchildren, Henry and Trevor, and numerous family members and friends, all whom loved her dearly and will never forget her undying love for them.

World's greatest grandma doesn't quite sum up how great Janie was, or "Nana" as her grand and great grandchildren would call her. Her kindness was spread to every person she met and every dog, cat, or bird she fed. As much as she loved people, she loved knowledge. If given the chance, she would have put every wheel of fortune and jeopardy contestant to shame; she was quite the buzzer beater! It saddens us that we won't be able to ask her anymore questions about the wealth of information she had.

Throughout her life, she overcame every obstacle put in her way, whether it be family or work - being one of the first women in the field at the phone company was no easy task. She was never afraid to get her hands dirty and because of that, she was the incredible wife, mother, and grandmother we all know and love. Even through all the ups and downs, she was still as sweet as the homemade jam she made for all her friends and family. She will be missed immensely, but we know she's in a better place and will continue to smile down on us.

Visitation and funeral service will be held at Mission Park Funeral Chapels South.

“ We're so sad to know an angel has left the earth. Janie was a very extraordinary lady and a blessing to all who knew her. She was a trooper and saw the sunny side of every situation. If you were to look up the description of 'joy' in the dictionary, you would find her picture, as a synonym.

She was an excellent cook, by which we were so blessed to have had the pleasure of experiencing, first hand. She was very generous, loving, kind and didn't know a stranger. She had a heart of gold.

She made everyone that knew her feel like family. My husband and I had the honor of knowing her for over four decades. She will always hold a special place in our hearts and will be deeply, missed.

Our deepest condolences to her daughter in law, Karen, her 3 granddaughter's,

Heather, (and her husband Derik and great grandchildren), Hannah, Emerald and extended family.

May God comfort your hearts now and in the coming days. We love you all.
