“ My deepest condolences to the family of Jason. When I met him he was the so shy. He was full of life and has the kindest heart with the biggest smile. He helped me through a rough patch and was there when I needed someone to talk too. I'm so sad this happened to such a wonderful person. But I'm so thankful that we crossed paths. He will be truly missed. Always in my heart, my thoughts and prayers... Gonna miss you love! !!..

“ Hi Im Rick Betancourt,
I've known Jason for many years we went threw many adventures together when we were young. Some good and some bad , never was a boring moment. He was very popular in Judson high school. He was like a brother to me, we would take the bus to San Fernando gym or the Mall. His step dad would give us free rides if we were in the area. We met the Geto Boys and Jessie James Lejia . We were always invited to every high school party. People always want to kick it with him . He was an awesome friend, I will miss him . Unfortunately, I working out of town I just got the news yesterday! Hearing about his life after high school is no surprise. Being that he was raised by a step dad , that he would do the same too. I will miss him , and all the craziness we've done . Dammit, I wish I cant be there for him and his family!!!
