“ Jean was my mother-law for 5 plus years, she was very sweet and kind to me always and was there for my mom in the difficult times before my mom passed. Jean and Wally both had a huge impact on my life, they brought me into the Christian Church and I truly feel blessed to be party of there lives. She is with God now and clearly will make heaven a better place. My prays go out to the entire family, Jean passed on my birthday, God has his ways for all of us to remember those we loved. Every birthday for me will be even more special going forward.

“ Although I never had the honor of meeting your beautiful mother, I see she lived a remarkable life, and I know she raised an amazing daughter. We never lose our moms. They reside in our DNA... our hearts, our memories, and you carry them with you he rest of your earthly life. She is in the arms of our savior and you will smile together again someday. My heart aches for you as you filter through the grief process in the days ahead. I have been without my mom's earthly presence for 16 years, but she is in my thoughts ALWAYS, and sends me signs of watching over me... you will see yours in the the days to come.

“ So glad to have been able to work beside a lady who was always like a mother to everyone at the vet clinic. Someone I could confide in. The mother figure. So glad I have a part of her living with me. Talking about her sweet Susie the pet that was a companion until she couldn't take care of her anymore. She made sure everyone had something for Christmas and birthdays. Couldn't stand it if someone was hungry.

She trusted everyone! She told me one time a young girl was walking down the road a hot Summer day. She stopped and offered girl a ride in which the girl did take her up on the offer. She made sure to tell her what her son's living was. I know that was to make sure the girl didn't pull any funny stuff. But believe me I got onto her for that. My words "Ms. Jean don't you ever do that again. You don't know what they will do!" Ms Jean loved her family to pieces and often talked about her Wally. Oh how she missed her husband! I know that was a happy moment when she got to be in his arms again. She will be missed here on earth but she is with the Lord I know loving every minute of it. She will always be in my heart. I will do my best with the help of Dr. Luke Proctor to take care of her now 14 year old dog.

My sincere condolences to the family.

“ Jean and her husband attended Northwest Hills Christian Church and their son, Steve, and his wife, and their 3 girls went to Northwest Hills several years ago. It is a blessing to know the family and I pray that the family will find comfort and peace. Jean and her family attended church regularly and were active in the church. My fondest memory was when Jean attended a women's retreat a few years ago and I was one of several women to share a hotel room with her. We had a good time and it was a pleasure to talk and get to know her better.

She was a blessing to family and friends. I love her and miss her and thank God she was a strong women of faith.

“ My deepest condolences—My husband, Harry Lund, worked with Jean for many years. He passed away 5 Oct 2019. Even after retirement, we remained friends, she often picked up Harry in his wheelchair and some of the old Ft. Sam National gang got together for lunch. I will keep your family in my prayers. It's always sad to lose long time friends!

“ I simply fell in love with Jean while volunteering at The Attic. Such a sweet lady! We carried on long conversations about our kids & grandkids. Jean dearly loved her family. We loved knowing that our families were connected through a special friendship between her grandson and my son. Jean was an admirable and hardworking volunteer and gained the respect of everyone at The Country Church. She will be sorely missed.
