“ Going to miss cowboy Kevin, have many fond memories of him. He was a huge help to my Momma and the Miller family. Sure my dad and Kevin have already met up and the talks they are having. God Bless you Kevin, until we all meet again, you will be greatly missed.

“ Kevin was a VERY VERY close friend to the Miller family. Many memories of Kevin will be thought of for the inspiring dependability of his work ethics. With Kevin's reliable help around the farm and ranch duties came many conversations of laughs, concerns, opinions, WITH some very good advice during these times of Kevin's presence. Hauling hay, working cattle, building fences, and numerous maintenance on farm equipment, vehicles, and tractors. Kevin KNEW how to approach any challenges and was trusted with MANY responsibilities. I know as for myself Gerald A. Miller and my mother Agnes A. Miller do know that Kevin deserves the rest of his hard labor that I know was bestowed on our family. My passing dad Tommy Miller as well was always proud of the accomplishments that Kevin put into any tasks presented upon Kevin. I do know Kevin was a blessing to be part of our family in which he'll always be considered as such. May the angels take Kevin to meet all those who passed before him for a welcoming joyous celebration. Kevin most DEFINITELY deserves it.
