

Londerien Gentry Hiser

March 24, 1924 - December 18, 2019

Londerien Gentry Hiser passed away peacefully at Northeast Baptist Hospital at the age of 95, following a brief illness.

She is preceded in death by her parents, Edward and Amanda Gentry, her husband, Neb Hiser, her granddaughter, Theresa Fieldcamp, and great-grandson, Peyton Todd. She is survived by her two daughters, Clara Fieldcamp and Alice Marie Holt, stepdaughter, Imogene Barger, as well as her grandchildren; Carey Fieldcamp, Janna Bond, Tanja Holt, Donovan Holt, and Cody Holt. She is also survived by her step-grandchildren, Maryann Scott Holt, Tony Barger, Richard Barger, Linda Wilson, Kelly Smith, and many other great, and great-great grandchildren.

Londerien was born on a farm in Pontotoc County in Southeast Oklahoma on March 24th, 1924, and was the youngest of seven children. Londerien married at a very young age Neb Hiser, and they were happily married for 37 years. They had two children, Marie Holt and Clara Fieldcamp. Soon after his death in 1982, she relocated to San Antonio, Texas, to be closer to her daughters.

Londerien began a new life in San Antonio and soon met Margaret Smiser Martin and her 2 sons, Tim and Michael Smiser. They shared a mutual need for each other, and for the next 17 years she loved and nurtured her 2nd family. In fact, she always referred to Tim and Michael as "her boys".

Londerien was a great cook, who baked the best bread, and made irresistible pies. She was happiest when the family was around to enjoy her cooking. She was also a very talented seamstress whose hands were always busy. Londerien loved sewing for people, and she was always giving to someone. She also loved to write, and in fact, she composed a poem for all of her many grandchildren.

Above all she took great joy in her relationship and devotion to her faith in Jesus Christ. It bothered her when her vision failed and she could no longer cook and sew, but it truly grieved her when she could no longer read her bible. She faithfully served in her church for many years, and she especially enjoyed working with the young women. She enjoyed teaching them to cook and other life skills. They all loved her, because they knew she loved them. Londerien spent the last 4 years on Hospice care at Regent Care of Oakwell

Farms where she was a joy to everyone.

From her birth to her death she nourished people around her with her love, faith, and service. Her life was a living example of one of her favorite Bible verses, Ephesians 4:32 —"And be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you." The night she died, she told Clara she should go home to take care of the dogs. She said, "It's Ok, Jesus is here". Those of us that knew her have little doubt that He was there to take her home.
