

Manuel Tristan

January 1, 1960 - July 15, 2021

A loving son, brother, uncle and friend, Manuel Tristan went to be with the Lord on July 15, 2021, at the age of 61. He was born on January 1, 1960 in San Antonio, TX. He is preceded in death by his parents, Juan and Jesusa Tristan; niece, Stephanie Mae Marmolejo, and nephews, Ronald Carreon, Jr. and Marcus Anthony Ibarra. Manuel is survived by his devoted siblings, Gloria T. Ibarra (Robert), Mary Esther Garza, John Tristan Jr., Susan Marmolejo (John), Ernest Tristan and Janet T. Banda (Carlos); goddaughter raised as his own, Amelie Martinez; nieces and nephews, Jason Ibarra, Christine Maldonado, Jacob Marmolejo (Melissa), Chris Banda, Jason Banda, Aaron Banda, Adrian Banda and Iza Tristan; numerous great-nieces, great-nephews, other extended family members and friends.

Manuel, known as Manny to many, will always be remembered as a hard-working, kind, giving, and caring person. He had many close friends that were like brothers and was the type of man that was there if you needed him. He had a beautiful soul, and any stranger would instantly become a dear friend. He had a smile that was captivating.

Manuel devoted his life to his parents. He worked hard to build them a home in Bandera, where the family was blessed to share holidays and create beautiful memories. Manuel never married and had no children of his own, but his nephews, nieces and goddaughter, Amelie, were all taken under his wing. He was protective of them all and till his last day did everything he could for them.

Manuel began his love for sports at a young age playing pop warner football. He was an awesome football and baseball player for Highlands High School. He was short and stocky, but he could outrun anyone who tried to catch him.

He gave so much of his heart, that at the end his heart could give no more.

“ It has been so long that I have seen Manuel but yet I can still remember his smile and the twinkling in his eyes.

I remember always wanting to be on Manuel's baseball teams as we played pickup games in the street . When a car was coming down the street, he made sure we all cleared the street . He was a caring person at even such a young age. What a special time it was growing up with Manuel and all the siblings.

The Tristans were a solid , well grounded and loving family. I still remember having my first homemade tamale at their home and boy did they have the best birthday parties. When my son had his birthday parties, I made sure we had a piñata.

The video is so moving and shows the love he gave and the love he got back.

May our Lord and Savior be with you all as you all travel this part of life's journey.

Veronica Gonzalez - July 20 at 05:44 PM

“ Manuel, there are no words to express the love I have for you. You were one of a kind and I was so blessed to have you as my brother. I have so many memories of the good times we had together from when we were young to now. I'm going to miss you going to my house to watch the football games with us. The daily phone calls just to see what I was doing, but mostly just knowing that you were always there for me. I'm also going to miss the beautiful smile and those twinkling brown eyes. You had the biggest heart and were always there for family and friends. Thank you for being there for the boys (Aaron, Adrian, Chris, Jason) and Aubrey. The day you took your last breath was the day my heart broke. I've never felt the pain that I felt that day. I know that you are with Mom and Dad and that is what brings me comfort. You will ALWAYS be in my heart.
