I will never forget Mary. When we first got to Texas and reunited with her stepson Howard in 1976, we just came with a few things a dog and our daughter. So when I met Mary she suggested we go to the store to get some things we needed. I had every intention of shopping like crazy so I filled my cart with everything I wanted, we got to the checkout out and low and behold Mary told the cashier not to take my money and she paid. She was a loving grandma to Lisa Bloxham and a few years later to Howard. She was the only granddaughter they knew at the time. We were blessed to have known her. She so much strength to bury 3 sons. She gave me strength to bury my son Howard III. She knew she would see them again. She sent me baby pictures of Howard for my children. She gave me strength to help me leave Texas, to go home to my family. I brought my children when there father passed and even though she wasn't his biological mother she was the only mother he knew and had a funeral and buried him. Treated us as family with love and grace. I'm here for the family in spirit and pray for peace. God Bless Mary and May she Rest In Peace with her beloved sons and family. I will never forget her.

Lauretta, thank you for this longer tribute. Now I know where you are on the family tree. Mary had an older sister you may have met, Dorothy. I am Dorothy (Dottie)'s older daughter. I remember Howard Junior from when we were all kids, probably all under age 10. My memories are unclear after that time. So pleased to make this connection. Clearly, Mary valued family over everything else. She loved unconditionally. I am so glad we all got to experience that marvelous love. Godspeed, Lauretta.

“ My Aunt Mary was my Mom's (Dottie's) younger sister. She was a part of our lives from birth. She rocked us as babies, came to birthday parties, holiday gatherings, etc, and of course, the barbecues. The smell of barbecue will forever be tied to my Fielder family memories. Almost all my memories of family reunions included barbecue and Uncle Sonny's (Jack's) guitar picking. Mary loved nothing more. The more family, the better. Later in life, when the going got tough for Mary, it was always family she turned to for support and comfort. She literally got strength from the unconditional love they shared with each other. I guess that's why Mary never lost faith, never stopped smiling, never gave up. That love informs all of us who have experienced it, family or not. And once Mary decided you were family, well...that was it. You were/are forever blessed to know that love, too. I count myself lucky to have been as close to her as I was. While I will surely miss her, I am greatly comforted to think of her as smiling and dancing with her family again at the barbecue homecoming in heaven. May it last forever.

“ *A life well-lived. My Aunt Mary was one of a kind. Always there to support my Mama, her sister, Billie, through the years. Always there for her family, near and far. Much Love to all those she leaves behind.*

“ *Mary was a very kind woman. When she inherited Howard L Bloxham Junior she also inherited his two children Lisa and Howard Bloxham. She was married to Howard Bloxham for 13 years. She was a grandmother to them when we lived in Texas. She loved them also as she loved everyone. She will be missed. I stayed in contact with her as much as I could and she always had much love. May she rest in peace. I will never forget her.*
