

Mrs. Mary Alice Pons

January 7, 1953 - August 15, 2020

Mary Alice Pons (née Brown) was called by our Lord on August 15, 2020, after 67 beautiful years of life. Some people were born to be mothers, and Mary Alice was the epitome of a nurturing maternal figure to all who knew her.

She was born to George and Margaret Brown in San Antonio, TX on January 7, 1953. Born the oldest daughter of 5 siblings, she was a natural leader and caregiver, even at a young age. Alice served her family, God, and others with genuine compassion and empathy even through the hardest of times during her youth.

Alice found her lifelong companion in Daniel W Pons, and they wed on June 22, 1974, at St Joseph's before a full and joyful congregation. As she supported her husband, Alice settled into a previously unknown role; the role of Cub Scout Mom and Girl Scout mom. She bolstered her children through over 37 years of service to scouting and earned the highly coveted Wood Badge in 1986.

She faithfully supported her husband, Daniel, during his deployments to the First Persian Gulf War and Bosnia. She also balanced the duties of mom, parent liaison at Eloise Japhet Elementary, and Scout mom.

Her example and mentoring were directly responsible for many young boys earning the rank of Eagle Scout. She never shied away from showing others how to care with firmness and compassion. Her deep-rooted devotion to her state and country was contagious to all who met her. She was a direct descendant of one of the heroes of the Battle of the Alamo. Her love of her history and heritage as a native Texan was always on display as she taught anyone willing to learn about the finer details in Texas History. She created lasting partnerships with community service organizations that helped youth, adults, and the elderly.

Alice's love of her faith, music, classic movies, and Texas History will be missed by all who knew or loved her. Her spirit of service to others, loving her family, and those who needed love, and caring for her beloved Texas will always ensure.

Mary Alice is survived by her spouse of 46 years, Daniel, her three children George, Jesusa, and Daniel Ryan. And she is carried on by her eight grandchildren: Isabella, Daniel, David, Augustine, Nikola, Matthew, and Sunny.

You will always be in our hearts, minds, and souls. We will carry you with us all the days of

our lives until we meet again.

“ This wonderful woman has given me so many memories as one of her own. She taught me to take care and pamper myself for my emotional and mental health, it's not about what anyone else thinks, especially a man. When I spent holidays over and I couldn't sleep at night, she allowed me to sit by her while she was on the computer. She even tolerated my questions. She helped me to feel better about me with her words and hugs. I felt loved when she hugged me. She would have mother-daughter talks with me, especially the needed ones when I started dating. She treated me as one of the family, one of her kids. I will miss her and I am sad my kids will not get to know her.
