“ Mike, you were my brother-in-law but you were also my friend. I will remember you as someone who cared about people. You wouldn't openly admit to it, but you certainly demonstrated it. May you now be at peace.
Dear Lord I ask your blessings for Mike, forgive him his sins and enter him into Your kingdom of heaven to be with his grandparents, parents and brother. In the name of Jesus Christ, our Lord Amen.
Mike, you will be missed.

“ What can I say that hasn't already been said. Michael loved going to the casino and we really enjoyed going with him. When he won big, which he did often, you could definitely see the excitement on his face! We really enjoyed his visits, and we used that time to catch up on family and what was going on in our lives at the time. We were amazed at his memory of everyone's birthdays and anniversaries. He did enjoy the business of buying, repairing and reselling cars. He was also very compassionate. It hurt him to see someone go hungry and to suffer. He would go out of his way and buy food and then take it to someone he saw that was in need. You will be missed Michael. Not only by your family, but also by those that you reached out and helped. Love you!

“ Michael was a great brother who was full of life and he had a great sense of humor. He is at peace and in God's care. Most especially, he's with Mom, Pop, and Peter. I will miss our daily phone calls. Until we meet again, your loving sister, Barbara

“ Michael was a loving brother who shared his generosity with everyone. He enjoyed his mentioned hobbies and liked going to the casinos when he could. I remember Michael as being bright and intelligent in his work and taking care of his finances. He grew up to being a fine and respected young man. Michael will be missed by his immediate family and the friends that came to adore him. My brother, one day we will all meet up in heaven and live out our souls in glorious internity.
