PABLO GARCIA LASCURAIN

December 13, 1946 – March 17, 2020

Pablo Garcia Lascurain was born and raised in Mexico City, where he earned a law degree from the National Autonomous University of Mexico. He later graduated with a master's degree in economics from Santa Clara University and subsequently began working at Banco Nacional de México in Mexico City. In 1981, he moved to the company's New York agency, where he met his future wife, Laura. Two years later, they married and relocated to San Antonio, where he built a successful career spanning over three and a half decades as a financial advisor, most recently with Wells Fargo Advisors.

Pablo passed away on March 17 from complications after surgery. His wife of 37 years, Laura, was at his side, together with their daughter, Anna Cristina, their son, Juan Pablo, their children's fiancés and other close family and friends. In addition to his wife and children, he is survived by seven loving siblings in Mexico and their extended families. He was a great car aficionado who enjoyed golf and debating politics. Above all, he was the most loving and caring husband, father, brother and friend, and we will miss him tremendously. Visitation will be held on Friday, March 20, 2020 from 6:00pm-9:00pm at Mission Park Funeral Chapels North. Family and friends are invited

For personal acknowledgement, you may sign the online guestbook at www.missionparks.com in the Tributes section.

“ Many good memories come to my mind when I think about Uncle Pablo. Those summers in San Antonio, enjoying the lake with all his lovely family, aunt Laura, Anna and Juan Pablo, were among the best.
Uncle Pablo had such a big heart, he were always aware of his parents, all his siblings and their families. He was always ready to give good advice, always sharing his experience. He had such a unique sense of humor that put a smile on your face every time.
This is how I will remember him forever in my heart. Rest In Peace.

“ The last time I talked with Pablo was during my birthday a couple of months ago. I was having a rough time since it was during a very stressful exam period and being away from home, living on my own did not helped much to improve this. Pablo knew the situation and he simply decided to congratulate me, acknowledging the not so favorable conditions. Without saying anything more, he made me felt accompanied and close to home.

Laura, Annie and Juan, I send you all my love and company during this time.

A big hug,

Paulina Guzmán.
