“ Dearest Ed and family: I am so saddened by Pat's passing as are so many. She was such a positive person and no matter how long the time between visits, we always became close again. We go back to our weddings. And college. So much fun and good memories. Last I saw her was at Shannon Millard's wedding. May you and your family find comfort in each other as you will each grieve in your own way. With all my love, Kathy Hewett Beath.

“ Dear Ed and Family,

I'm so sorry to hear that Pat has left us. I know we will all miss her feisty, funny personality for a long, long time. I remember so many fun times in high school with Pat and our gang, riding around in her big old car, and gathering at her house with her Mom and Dad and James!

Be well and comforted,

Gerry (Jungman) Bettes

“ There will always be a special place in my heart for Pat. We were quite close in high school, and even afterwards. She was my realtor when I purchased my home in the country. Ed, I pray you are doing well, as well as the children. Please accept my sincere condolences and well wishes! Jan (McKeown) Clements

“ Pat was a dear friend from high school, Robert E Lee, in San Antonio. We had so many good times together and our class had several get gatherings, even after our memorable 50th high school reunion. Peace and blessings to Ed, Michelle, Michael, Melissa and all her family. Her smile will always be remembered and hers was indeed a life well lived.
