

Philip Allen Ostrander

April 22, 1957 - April 7, 2021

Philip Allen Ostrander left this earth on April 7th. He was born on April 22, 1957 in Utica, New York. Phil is preceded in death by his parents Gertrude and Elmer Ostrander, siblings Herbie, Marilyn, Carolyn, David, Danny, Walter, and D. Walter, and his son Charles Joseph Ostrander. He is survived by his siblings Elmer, Eleanor, William, Ellyn and Lorraine. Phil's presence will be forever missed by his wife of 40 years, Maria Ostrander. His eldest son Jonathon Ostrander, grandchildren Gabriel and Mia Ostrander. His middle child and only daughter Alexandria Ostrander-Fuller, son-in-law Dane Fuller and grandson Xander Fuller. His youngest son Zachary Ostrander and grandson Maximus Ostrander. He was particularly close to his brother-in-law Luis Luitin and Marta Luitin, who along with the family can recount multiple memories and stories surrounding his irreverent humor and personality.

After High School in New York, Phil entered into the Army where he served for 6 years. Phil married and came to Texas working most of his life as an automotive technician at various dealerships in San Antonio. He had a liver transplant in 2004, and became disabled but proceeded to devote his time being "grandpa day-care" until the last year or so when his health began to deteriorate significantly. Feeling ill never interfered with his humor and wit, which helped make him a memorable patient to the many doctors and nurses that cared for him during this past year and half. The family will be forever grateful for their concern and care.

This last admission his prevalent statement to all who cared for him was that he wanted to come home. He was able to do this, and left this earth while in his home surrounded by his family and friends.

A celebration of Phil's life will be held on Sunday, April 18, 2021 from 6:00 p.m. - 7:00 p.m. at Mission Park Funeral Chapels North. The passing of a loved one always leaves a void, but the family hopes that you can remember all the good times, and happy memories that are left behind. Being the sarcastic and irreverent person that he was, Phil would like for you to remember him with a smile.
