

Richard Gonzalez Trevino

October 22, 1974 - September 15, 2021

On Wednesday September 15, 2021, Richard Gonzalez Trevino born on October 22, 1974 in San Antonio, Texas, passed away at the age of 46 years. He was married to the love of his life, Juanita Cedillo Trevino for 26 years. He was a loving husband, father, grandfather, son, brother, uncle, and friend. Together they have a beautiful little girl, Vivienne, who became his whole world. There was nothing he wouldn't do for his "Vivy", and he was her best friend. Sometimes that meant her favorite holidays came early, which also meant twice. He took her trick or treating and even matched costumes with her. If Richard wasn't busy at work he spent his time with Vivy at the park or just driving around the city. They were rarely apart and when they were she was always asking for Daddy. He was preceded in death by his parents, Raymond and Angelita Trevino.

He is survived by his wife, Juanita Trevino, children, Jose Cedillo, Andrew Medina, Elizabeth Cedillo, and Vivienne Trevino; brothers, Ramon Trevin, Robert Trevino, Anthony Trevino; grandchildren, Josslyn Cedillo, Richard Cedillo, Alessandra Cedillo Trevino. He was preceded in death by his parents, Raymond and Angelita Trevino.

Richard was a loyal employee at Burger Boy on N. St. Mary's St. for 20 years where he was a manager. He loved his job and the community he served. If Richard ever stepped outside the restaurant you could bet someone passing by would honk or yell his name. He was just a friendly down to earth kind of a person. He will be greatly missed.

“ Trevino Family,

On behalf of my family and myself I want to extend my sincere condolences on the passing of your beloved Richard. I met Richard as I began regularly driving through Burger Boy and placing my orders for myself, my family and my coworkers at AT&T. He always was friendly and often we had small conversations about our families. I could tell he was a dedicated employee to Burger Boy and to the customers he served daily. He always had a smile for everyone and thanked us all for dropping by. I remember telling him that I was happy that another location was opening closer to me, but his response was “I’m happy too that another location is coming but this now means you won’t be coming by this location and see us.” I told him that my doctor was nearby and promised him that I would come by each time I’d come see my doctor. I kept my promise. Thank You Richard for the many years of friendship, your dedication to Burger Boy, for making the best burgers in town, for your customer service and more importantly for being a good person. You will be missed by all. My prayers remain for your family and especially for your wife and daughter. I know how much you loved them both by the look on your face each time you spoke of them. May God grant them strength, comfort and His blessings for years to come. May you now Rest In Peace and may God grant you Eternal Life as you enter His Kingdom. Amen.

Sincerely,
Linda G. Villejo & Family

“ I met Richard in the late 90's when I began working at Trinity University, I also lived in the neighborhood about 2 blocks from Burger Boy. Richard was always there making the best mouthwatering burgers I've ever had About 4 yrs ago I started working at the zip trip on san pedro. Richard was a regular customer. always asked if I was ok. He always bought lottery and scratch off tickets for him and Juanita. I once asked what he'd do if he won. he said the first thing I'd do is get u out of here. that was the Richard I knew, always thinking of others. I will miss you my friend. your shift is over. Rip brother.
