

## Roger Walton

March 28, 1953 - February 4, 2019

Roger “Black Mack” “Kuya” “Pogie Ogie” Walton has been called to heaven.

On Monday, February 4, 2019, TSgt. Roger Edward Walton (Ret.) passed away in his home, surrounded by his devoted children, after battling cancer for a second time at age 65. Roger was a loving husband, father, grandfather, brother-in-law, uncle, and loyal Church’s Chicken customer.

Roger reunites with the love of his life and soulmate, his beautiful wife of 33 years, Remedios Tayag Walton, who preceded him in death on March 24, 2009. Mahal kita always and forever.

Roger leaves behind an adoring family to cherish his memory: his children Rausiline “Ace” Grisby, Dennis Walton, Rashaal Walton, Rashaad Walton, and Raven Walton; son-in-law Troy Grisby; daughters-in-law Mika Gardaya-Walton and Crystal Dunford; granddaughters Reimi Gardaya-Walton and Skyler Dunford; grandson Tekais Grisby; as well as an abundance of brothers, sisters-in-law, brothers-in-law, nieces, and nephews. He will also be missed by his faithful sidekick Yoshi, whom he called “Dog” and loved to bits, though he’d never admit it out loud.

Roger and his wife Remy took extreme pride in caring and providing for their family and they were masters at their craft. We take comfort in the knowledge they are together again, lovingly watching over us.

“ Words cannot express our sincerest condolences in the loss of Uncle Roger. Let your tears be tears of joy in knowing that he will be greeted at the gates of Glory by two familiar faces and God will say “Servant well done. You were faithful over few things, now come on in and I will make you ruler over much.

“ From the time i was a little girl i could remember his laugh. if you hear it from a mile away you would recognize his laugh. I remember the hot wheel tracks that got longer and bigger each year and the competition between the boys(Roger, Bugs and Billy) and how i wished i REALLY belonged to that family and always knew i was an outsider looking in.... As i grew up and i understood the love that was available, i wish now i could have been a better niece, cousin and daughter and had some of the traits that Edmond Walton surely imprinted on Uncle Roger and the rest of you guys.. thatnks for everything you have done for me and trying to make me feel like a “real” Walton.. I will miss that laugh and those hugs and every confidential talk we had that you kept in your heart. Love Teri

“ I've lost three siblings in the past two years. My sister and two brothers. Roger was like our father, most kind most friendly and most gentle than most people. He would give you the shirt off his back if he thought it would help. I've often wondered why good people like him are called early. God bless his immediate family, and God bless the whole family.

Ps. I'm going to miss our luncheon dates.

“ Dear Walton children, it's with a very heavy heart that my brother from another mother is no longer with us. Roger has been my friend and brother since 1976 when we first met while serving in the USAF in the Philippines. I'm sad that we didn't get to see each other again, but we did text and call to check on each other.

I will miss you my brother, but so glad you are back with Remy, and everything is good in your world again. Your family and friends will miss you more than you will ever know, but we will think about you, or say something funny that you use to say, and we will smile. You will be in my heart forever. Rest easy "Muttley", God be with you until we meet again.
