

Ronay Ruth Ferber

November 21, 1953 - January 19, 2020

Ronay Ferber was a strong, independent woman who had been a fighter all of her life. At a young age, She worked for South Western Bell and AT&T as a marketing representative before working her way up to a supervisor that handled government accounts. She even provided service for the White House and former presidents of the United States. Ronay left her mark on this world in countless ways and was loved by so many people.

Ronay also lived with multiple sclerosis for over 41 years. She lost her ability to walk in 2001, and she continued fighting. She got cancer in 2017, had major surgery, and still she continued fighting. This disease changed her way of living drastically, but never took away the passion she had for life or the love she had for her family. Ronay made her way through this difficult journey of life and despite all of these challenges, health issues and pain, she still managed to always have a smile on her face and was a friend to anyone who she met. Her smile brightened up the room. Ronay was a beloved sister and aunt. She and her younger sister Tara, were best friends.

It pains us to say that on Thursday, January 16, 2020, Ronay had an unexpected stroke that sent her already poor health into a downward spiral. She fought so hard the following days, and then the Lord called her home on January 19, 2020.

Ronay is survived by her sister, Tara Curling, two nieces, Brenna Curling and Dayna Cardenas, nephews Dustin Curling, and Jonathan Cardenas, and great nephew Jonas Cardenas. She is survived by many more family members: Clayton, Craig, Carl, and Charles Cromer in addition to many beloved cousins.

Ronay is embraced in heaven by her mom Joan Seals and her father Haven Cromer.

Rest in peace Ronay, we love you dearly.

If you would like to honor Ronay, we as a family are asking for donations to the MS society in lieu of flowers or floral arrangements.

“ My fondest memories of you, Ronay, are many. I remember singing to your favorite records—Carol King, Beatles, and Linda Rondstat. I remember us walking to school together and I remember sneaking mom’s chocolate chip cookie dough. I loved waking you up Christmas morning because I was so excited to see what we both got. We enjoyed going out together to pick out a real tree. The hot Dr. Pepper was so good. I had fun playing Monopoly with you, even though you always won. Watching Bonanza after supper was always nice, and it was especially nice when Momma came to join us. We have experienced so many memories. As sisters, we have laughed, got mad at each other, and made up. Secrets were shared. Tears sometimes flowed and then hugs were needed afterwards. Our love for each other never faded. I’m so grateful that God chose us to be sisters. I’ll miss you so, but you will forever be here in my heart. My sweet big sister, I thank you for loving me, my kids, and my grandson. Now God holds you close, and Momma and Dad are smiling with joy now that their first born has made the journey home. For now, I must say good-bye, but I know I’ll see you again. It’s now your time, Ronay—time to walk, to dance, to run if you want. You’re free of all that restricted you before. There is no more pain; you’re in the beautiful light of God’s love. I know I will meet you again. Love you always and forever, your sister, Tara.

“ My best memory of Ronay was when we were both in high school and my Mom “Ronay’s Aunt Betty” and I were visiting from Ky. Since Ronay had a school day I got to go with her for the day! Setting in classroom I realized just how intelligent she was!! Every class was way over my head! She just took everything in stride. Then she had dance and was absolutely beautiful in her maroon outfit! So gorgeous so smart I knew that day she grow to be an intelligent beautiful lady!! She proved me right!! My Mom loved her so much. We all did. I know now she is no longer hurting but in the arms of her Mom. Love you forever your cousin Vicky.

“ My deepest condolences to the family and friends of Ronay Ferber. May the God of all understanding be with you as you keep in prayer . He will hear you. Philippians 4:6,7: states: “Do not be anxious over anything, but in everything by prayer and supplication along with thanksgiving, let your petitions be made known to God; and the peace of God that surpasses all understanding will guard your hearts and your mental powers by means of Christ Jesus. May He bring you the comfort you need in this difficult time.
