

Suzanne Redwine Fischer

January 3, 1955 - June 16, 2019

Suzanne Redwine Fischer passed away last Sunday on June 16, 2019. She was born in Austin, Texas on January 3, 1955, where she made lifelong friends and became part of the crew on Pecos Street and attended Austin High. Her love of horses started at Fort Clark in Bracketville, Texas, where she was part of the Cavalry that made the trek every summer. While she collected and loved many pets throughout her life, her most beloved was her horse, Keenan. They would travel far and wide to compete in horse shows where they had much success.

Suzanne attended the University of Texas where she became a member of Kappa Alpha Theta and had the distinct honor of winning the Mortar Board at Scholz's Beer Garten as well as being the best first baseman on the Redwinos softball team and many others. She then met the love of her life, Mike Fischer, at one of the many festivities at her family's lake house.

Suzanne and Mike married and moved to San Antonio, Texas, and started a family. She became a "member" of Playgroup, which would become a staple throughout her life. Any holiday or celebration would not have been the same without them. She took up golf and, while she missed some putts, she eventually made a hole-in-one on #11 adding her name to yet another distinguished list. She started a business, Sparkles, that has been successful for 34 years and counting.

Suzanne had a savvy mind and developed her own, unique language that she used to describe people, places and things. She was diagnosed with pancreatic cancer on December 14, 2018. She fought the bravest fight against a devastating and horrible disease. She will be missed like crazy because she loved madly.

“ I grew up with Suzanne in Austin and to say that she was fun, is a true understatement. We played softball together in the summer. On Wally's Wonder Women, she was first base and I was rover. We (WW) all learned to chew tobacco in order to psyche out the other teams. Not sure whose idea this was or how long this tradition lasted! I was sad when Julie told me of her passing as I have such fond memories. Blessings to all of you, her family. Rest in peace, Suzanne.

We lived on Lilac Lane and have fond memories of block parties with the Fischers there and being at the school bus stop with our daughters, and Jane and Casey. “ My condolences to Suzanne's family. Mike and I were Suzanne's cousins, and I have fond memories of spending time at the Redwine's house in Austin when we were young. I especially remember the walls of her room being covered in the many ribbons she had won from the horse shows and competitions she entered. Her love of horses and all animals was always a part of her. I wish you comfort during this difficult time.

“ My deepest sympathy to the family of Suzanne Fischer. The loss of a spouse is more difficult than most people realize. It changes your entire daily life. The way you eat, sleep and even sharing your thoughts is changing by no fault of your own. But keep yourself in prayer and turn to God, who has all understanding in our situation. Philippians 4:6,7 says: “Do not be anxious over anything, but in everything by prayer and supplication along with thanksgiving, let your petitions be made known to God; and the peace of God that surpasses all understanding will guard your hearts and your mental powers by means of Christ Jesus.” By doing this, may it bring you

comfort at this most difficult time.
