“ Tommy, Tommy, as I always started our conversations. We talked and talked and discussed many things; politics, work, family. Whatever we talked about we always respected each other's view's and ideas. Why do I say this? because only a few people know about this; that I am as deep a Republican that Tom was a Democrat!! This was the amazing thing about our friendship, we never argued or got mad at each other. In fact, we always kidded each other that if we ever ran for office, the other one of us would be chief deputy. Sounds like two die hard politicians! Tom, I will miss you and words can never describe the loss I feel as I seat here typing this and crying my eyes out.
I give you a final salute and say, "Good-by" my forever friend.

“ I will always remember what a sweet, loving man Tom was. I remember when our families would get together and how happy he was to see his “compadre”. My dad and he would hug like long lost brothers and it was always a happy reunion of laughter and good food. When I heard of Tom’s passing I couldn’t help the tears but was also comforted because I knew my dad was waiting for his compadre with a big hug. May they both continue to watch over us and be our guardian angels as they were in life.

Bertha, Michael and Kathleen and families, love and prayers are being said for all of you.

“ I am heartbroken to hear of Tom's passing. We were first cousins and we grew up together as babies the same age in Roxbury, NY. We became best friends and spent our early days together until Toms family moved to Newburgh. The last time I saw Tom is when he came to visit me in New Mexico after he was discharged from the Army in San Antonio. Tom will be missed by many people for sure. He was truly one of the good guys. My heart goes out to Bertha and his family.
