“ Remembering with love our sister Ada on this special day and always. Remembering all the special times we shared during your many visits to the UK. Remembering the phone calls and letters and cards sent and received over the years. Especially the last time we spoke only a few weeks ago and how we laughed. We will miss all that. God Bless you darling. Rest in Peace.

“ *We were so sorry to hear of Auntie Ada's passing.*

I remember her as a fun, generous, kind and loving lady. And she made the best enchiladas I ever tasted when we visited her and Uncle Lee many years ago :)! She touched so many lives for the good, and I'm grateful I had the chance to meet her.

Sending you love, comforting thoughts and wishes, Tanya, James, Jake and Liam xo

Dear Lee; please accept my condolences on the passing of your mom. Although we never formally met, I remember her as a kid in the early 1950s, working behind the counter of your parents' dry cleaning business on Guadalupe St. Perhaps it was her striking reddish hair that caught my attention; she was always smiling. I also have a memory of her and you at the now-demolished Wesley Community Center on Leona St. May she rest in eternal peace.

“ *Dearest Lee, Liz, & Family. I have many wonderful memories of Auntie Ada, from being a young girl living in England, to the present day, where I now live with my family in Canada.*

*Auntie Ada was a loving and caring Auntie, who over the years kept in touch with her Family with letters, photos, cards and long phone calls. One of my favorite memories was when Auntie Ada, Uncle Lee and our Lopez cousins, came to Canada in December 2000, to share in the celebration of our Mother Winnie's (Ada's sister) 80th Birthday. We had a joyful and happy time, there were many laughs, hugs and kisses at that celebration. My husband & I have visited our family in San Antonio, it was a wonderful visit to share once more time with our family. Auntie Ada will always be in our hearts, she gave the best hugs and kisses, with fond memories of a Lady with beautiful red hair, loved to dance, tell stories and shared her life with us. Auntie Ada & Uncle Lee will be dancing amongst the stars. With Love & Blessings To You Lee, Liz, Stephanie, Carey, Aaron, Paul, Rachel, & Lee. Family Hugs.... Miriam, Rob, Lee, Nicole & Families

“*We loved Auntie Ada very much Stan & I. Her vitality and enthusiasm, love of life and warmth. We made many trips to San Antonio and she in turn was able to visit here in Canada. Always full of fun and we were sad at our departing. We had hoped to visit one more time and I had secretly hoped to be at her 100th birthday. Alas that is not to be. I will miss our phone calls and the bond we shared but she will always have a special place in our hearts. Niece Sheila and husband Stan, Ontario, Canada.*

“ My condolences go out to the family. My name is Steven. I’m the nephew of my/teacher Aunt Kathy Snider. Her and Ada were friends. I don’t know how far they went back. About 10-15 years ago. I was in late middle school years or high school. I would go to my aunts house over the weekend. Ada was there a few times. She told stories and showed many pictures which was very interesting. That’s the best memory I got. All I can think of now is that her and Kathy are back together again

Dear Lee & Elizabeth & all the grand-children This is Shirley Cain a dear teacher friend of Ada. We worked together & she would always greet me in the main school office with a happy Good Morning to start the day. We had a special connection because we both had natural red hair, a love for dancing, fair skin, really bad eyesight, & a connection to Luther Burbank H.S..For the Taffola School famous talent show we performed together as the 2 red-headed mother-daughter team The Judds. When I came into SA from my ranch I would always go to see her & once I spent the night with her. Ada was so proud of her family & she always showed me pictures of her family especially grand-children & great- grandchildren. Ada was so lucky to have a kind loving son Lee & her sweet daughter-in-law Elizabeth Lopez...I loved Ada Lopez So Very Much & she returned the love to me over many years. Her memory was great as she talked about England's history & all Taffola events & about all family happenings. I was in Houston Tx..at M.D. Anderson Cancer Center checking on my eyeball cancer when I learned about Ada's passing from this World to Heaven. Seriously I was thinking about Ada for 2 days picturing her with me in the exam rooms & wondering how she dealt with only one eye as I will have to do in the near future. While there Elizabeth Lopez my high school friend called me & told me about Ada's passing.

My deepest condolences to the Lopez family. I grew up next door to Mr. and Mrs. Lopez. They were always so kind. I will never forget Mrs. Lopez inviting me and my sisters over to her house to have tea, the way she had tea England. She would set out her tea set and sit with us. I always thought how lucky we were to hear her stories. She was wonderful story teller. In the big snow storm of 1985 in San Antonio her and Mr. Lopez came outside and had a snowball fight with me and my family. I remember all the laughter! After I had my son, she made him the cutest baby booties and would always ask about him. I will miss her dearly. I just know that she is happy being with the love of her life again. Keeping you all in my thoughts and prayers.
