

Adam Cavazos IV

October 4, 1992 - June 24, 2021

October 4, 1992, Adam Cavazos IV was born at Misawa Air Base, Japan to Cecilia & Adam Cavazos III. He passed away on June 24, 2021. He is survived by his parents, sister, Clarissa, and family pet Callie.

He graduated from Churchill High School in 2011, and although never would admit it, was naturally smart. Some academics came quite easy for him. He was a natural athlete focusing his attention on weight-lifting, becoming very skilled, and through determination always used the proper technique. He was extremely strong and had tremendous willpower and dedication to the gym. Adam loved watching superhero movies, SpongeBob, and listened to all kinds of music. He was independent, introverted but knew how to make you laugh, and was just a chill dude. He traveled from time to time as a youngster and spent time on the road with his family, visiting family and friends from coast to coast. He had an entrepreneurial spirit and loved talking business. Adam was loved dearly by his immediate and extended family and close friends.

Adam, you will be missed. Love Callie

Our hearts are breaking along with yours. We will miss “Little Adam” and his infectious smile & carefree spirit. We have so many wonderful memories of both he and Clarissa growing up throughout the years. We are praying that God will keep your little family in his heavenly embrace and fill you with love, comfort, and peace in the days to come. Remember that Adam’s beautiful soul is always with you.

“ Adam, Cecil, Clarissa. My heart is absolutely broken for you all. I loved my cousin dearly, and thought of him often, and loved to see him whenever I could. I remember the times when we were teens, just playing around and blissfully enjoying life. I am grateful to just have been a part of his life, and my heart breaks that I can no longer call or text my "cuz."

I'll miss his sense of humor, his smile, and how he loved his dog. May God be with you all during this time, and may you all feel His presence now more than ever. Adam will be in my heart forever, and I will always remember him for who he was to me. He was my cousin and my friend. I know God loved him then, and loves him still even now. Rest easy, cuz. I love you so much.

“ Adam, Cecile, Clarissa, You are in my heart and in my prayers. May God strengthen you throughout these upcoming and most difficult days. My mind is filled with memories of Adam IV, and though there are few recent memories, I'll forever cherish those of Adam's younger years. I have a clear memory of his angelic choir boy face; surely he is in heaven singing his praises to the Lord! I'll always remember the sparkle in my sister's eyes whenever Adam IV walked in the room. Frances was so proud of her intelligent grandson. She loved his little glasses...the telltale sign of genius! She loved her grandson so much. May they be reunited; locked in a warm embrace.

With you - his loving family, we celebrate his life!
