“ My deepest condolences to you all. It hurts that such a sweet young man has gained his wings too soon. As my sister mentioned I too remember the sugar incident and that is one of the beautiful funny memories well cherish. Though we didn't see each other other often you're still family and are very loved. I pray that you are at peace and I know that we will meet again one day. Until then we know well all have another angel looking over the family. Well miss you dearly and we love you. From Veronica (lippert) Martinez & family

“ My little “tall” cousin with a big heart like his daddy. I still remember when you were little and got scared by the dog at my house and were given some sugar for the scare. After that you would try to sneak some more. LOL. You were a sweet lovable guy and I hardly saw you but when I did you always had a smile and gave so much love. Love and miss you cousin give my daughter a hug for us. From cousin Nana (Adriana Baeza) and family
