*Amazing woman and will truly be missed by me I loved her dearly and she moved to Houston I asked her to come back because I felt like I'd never see her again, I loved the way she took care of many who needed her and the broken heart of watching her beautiful daughter Olga passing away was so hard for her we cried together many times on the phone as she called me to check up on me as well, God be with the family always and know that she's in Gods hand with her other family members 🥹💔🙏*
