Duffy enjoyed barbecuing with his friends at the deer lease & relaxing & fishing at the coast. He loved his beer & his Dallas Cowboys. “ To my dad,
You were the pillar and strength of our family.
I will forever miss your voice at the other end of your phone calls when you called just to check up, your corny jokes that were actually kind of funny, and your words of support and encouragement.
You were loved by many people fortunate enough to be part of your life. You will be forever missed each and every day, and my heart will never fully mend without you here with us. Thank you for choosing to be my dad.
I love you!

“ We were saddened to hear of the passing of Duffy. He was my mother's (Eloisa) brother and I'm sure she is embracing him today in heaven.

“ Duffy was my godfather. I'll never forget how funny he was. Him and Mary always bought me Christmas gifts growing up and made sure never to forget about me. He will always have a special place in my heart.
