“ I met Adrian 25 years ago when I moved to San Antonio to venture for a greener pasture. My Auntie Elcee Cortez and Papa David introduced him to me. He is a great man full of happiness and always make you feel special... he never missed any family gatherings and have always been a part of our family. Though I moved to California ... he always takes time to see me , Matt and Anna when we come to visit. We will surely miss you, your jokes, NIOSA, your children Adrian Jr and Andrew, simple conversations over a glass of wine at Auntie’s home and most especially the love you have given us... I know we will see you again in the next life... thank you for being the great happy man of our lives... I’m privileged to have met you... We love you dearly ... Rest In Peace now 🙏

“ I was fortunate enough to work with Adrian since January of this year. Adrian was very intelligent and had a "knack" for health care. He was also very caring and liked to make people laugh. Thanks boss for sharing your laughs and home health expertise. There's a lot of people missing you at the office. Gone but never forgotten. You will always be in my mind telling us, "You've gotta own your team!" RIP. Soar with the angels.

“ I sat next to Adrian at HNTS. He was a funny guy with a good heart. I always made him laugh. He was very intelligent and I would always tell him that he was so smart and that he would make a great President. He would laugh and say thank you. Adrian, I learned so much from you and thank you for being a friend that I will always remember. Until we meet again my friend. Rest in peace.

“ We came to know Adrian through our Aunt Elcee and Uncle David Cortez. He visited Philippines the first time when Aunt Elcee and Uncle David renewed their wedding vows for their silver anniversary. That's when we met him. Despite our age difference, he was so cool to hang-out with me and my cousins. There was never a dull moment with him. He's making sure that everybody was a having a good time.

He eventually became a friend. I remember, when I was going through a tough time in my personal life, Adrian made me feel that I can count on him. He sent a personalized card assuring me that everything will be alright. That definitely made me feel better and encouraged me to move forward.

I wasn't able to see him again but that memory will be etched forever in my heart.

Thank you, Adrian. Heaven has definitely earned another angel.

“ My name is Gemma A. Cabria, the youngest sister of Mrs. Elcee Cabria Cortez. My family in the Philippines and I came to know Adrian through my sister, Elcee. He was the best man in my sister’s Church Wedding to Mr. David P. Cortez in 1992. And I was the maid of honor. It was a memorable and exciting occasion that he was with us in the Philippines for the first time. So far, he had visited us 4X in the Philippines and the most recent one was in Christmas 2018 till the New Year of 2019.

Every visit he made to the Philippines was always an occasion that our family looked forward to as he hasn’t only become a FRIEND, but more than a REAL BROTHER to me and to our family. One of my brothers gave him a nickname “ROCKY!” Because of his good built, physique, and pleasant personality. We all knew him as a very loving, caring, and sweet person. . . a family-oriented and God-fearing man! That’s why my family and I love him dearly!

If only there’s one friend and brother I can call in the USA, it’s ADRIAN. Our bonding as brother-sister and friend-friend became stronger when I stayed in San Antonio, Texas for quite sometime. There had never dull moments when he’s with us cause he loves jokes and gets interested and happy to learn about family stories. I will always remember his visit in London when I was still a nurse over there. It was, I guess, his first trip to the UK. My sister, Elcee, requested me to tour him around the POSH sights that Adrian, for sure, definitely remembered all his life.

Adrian may be physically gone, BUT his “LIVE presence” will ALWAYS remain in my heart and he will be truly MISSED!!!

Adrian, you are now our Angel in Heaven. . . Having joined our Creator has put you in a peaceful and safe place, where HAPPINESS is FOREVER! May you Rest In Peace now, Adrian. 🙏

“ My dear Cousin Adrian Martinez,
You were my “Best Man” for my wedding in
Giessen, Germany. On that day, during a
frigid Thursday of December you looked
sharp and were there to help. Although , we
had met only a few months earlier, thanks to my beloved mother
that told me that we were stationed not so far from each other in
Germany, it felt as we knew each other forever. You always were
willing to help out, and after you were my witness at the Justice of
the Peace for my marriage, you even mentioned that it was time for
you to get married also. Every time we got together, we laughed so
much. You mentioned that what the Justice of the Peace said during
my wedding ceremony was so impressive and deep... but you did
not understand any German! After the ceremony, you wanted to
continue clowning and we got this picture while holding my beloved
wife's bouquet . And yes, you were correct, I was very lucky
marrying her.

*And you wanted to travel to Chile with us, to attend our church
wedding ceremony. Nevertheless, God, the U.S. Army, and life had
other plans for you, by starting a new job in San Antonio. Your laugh
and being such a good cousin will be missed so much!!!*

The Broken Chain

*We didn't know that morning,
God was going to call your name...
In life we loved you dearly,
In death we do the same.*

*It broke our hearts to lose you.
You did not go alone,
For part of us went with you.
The day God called you home.*

You left us beautiful memories,

*Your life is still our guide,
And though we cannot see you,
You are always by our side.*

*Our family chain is broken,
And nothing seems the same...
But as God calls us one by one
The chain will link again.*

“ My name is Letty Bermudez and Adrian was one of my bosses at Dominion Care Home Health from 2004 to 2014. When I first started there I had difficulty in my job. There were times when I wanted to quit and not come back. In fact 2 months into my job I called him and quit. I told him I was not suited for the job. I could hear the disappointment in his voice. He told me to come in the next day and we could talk about it. My mind was made up but I still went in. He told me that he did not want anyone else for the job but me. He told me that I had potential and he believed in me. I started doing data entry, then medical records. After that back up Intake, then QA and supplies. Each time I conquered a new task I got a raise. By this time I was flying!! Adrian taught me to believe in myself. Today, I still apply what he taught me to my life. How to budget, and see the potential in people. He gave me a chance and an income to almost single handedly raise my son. (Now 24). It was an honor and privilege to know him. You will be greatly missed my one and only boss. RIP in the arms of our LORD Adrian.

“ I remember growing up as a child growing up with my whole family, I remember it like it was yesterday. We'd play games together , run around outside with my brothers and sisters having a grand time, it seemed the days would never end. Adrian, was one of my Brothers , he always gave me love and affection , he was a role model. I love my brother Adrian, I have to hold dearly the vivid memories of my Brother , I have to reminisce his ichnogram which underscored my existence.

Time has ebbed away , we grew older in a haste , Adrian evolved into a man , someone's good friend he became, he was always someone I could count on.

I'll always buttress my brother's mettle, love, I will carry his love with me. I will bear the memory we've had with me until I no longer live. Adrian was a bold man who loved life and lived out his life working hard to live a good quality life.

Adrian was a genial man, who was revered by many, his life, death resonates through those living whom he impacted dearly. Adrian will be forever in our memories and thoughts with all of our love immensely. I say, " Lord , please take of my dear brother Adrian, please allow him to enter your House so divine and loving". I say, " Lord ! I am my a part of my Brother and he's a part of me, we're kindred spirits Infinitely."
