“ *My Deepest Condolences to the Family of Mrs. Agnes Schroeter. I met Mrs. Agnes through Merry Maids and have to say that she made my world a better place whenever I saw her. Mrs. Agnes was always a pleasure to talk to when we would come to her home. Mrs. Agnes reminded me of my own Mother and I am deeply saddened to hear of her passing. I thought about her often. (Even though I worked for) Mrs. Agnes touched my life and made it a better one by her kindness and her Smiles. May God hold the Family in his hands during this time. Thank you for allowing me to be part of her life. God Bless and Sending my Condolences. Cathy Gentile*

“ Agnes was my Grammy, my role model, and matriarch of our family. She was the most loving woman with the most amazing laugh! She was breathtakingly beautiful both inside and out. The world was a better place with her in it. I have been the luckiest to call her my Grammy. We love you!

“ Sincere condolences to Dr. Lydia Bartlett, family and friends. Unfortunately I didn't have the pleasure of meeting Mrs. Agnes, but she raised an amazing, compassionate daughter. Lydia has shared stories of her youth and the patience her mother had for her and her siblings. May God's perpetual light shine upon you as you grieve and begin to heal.

“ Let me start by saying that I am privileged & proud to call this woman "My Friend", "My 2nd Mom. Such a caring and passionate woman beyond belief, her smile would light the room up and her laugh was so uplifting. She will be missed by many. I would like to give my condolences to her children & their families whom she adored and loved very much. When my husband passed and 60 days later my mom passed Agnes was calling me constantly to check on me....she was my rock. I love her and will continue to love her in memories. As we lost our precious Angel, God gained an Angel. This is not good by it is until we meet again. Love Sabrina Rice aka Brena. XOXO
