“ Aida was more than a hairdresser to our family. She was one of my mother's dearest friends. A trip home was not complete without going by the salon to see Aida and to show off our sons. I loved making her and my mom laugh together. She will be missed.

“ *Ann & Family:*
I will miss Miss Aida very much. Going to her shop was like getting my hair cut on the set of "Steel Magnolias" - a warm bunch of women mulling about chatting and laughing - with Miss Aida's great big smile and hug to greet you each time!
