I know We lost a wonderful sister and God mother to our kids but we have gained with you a guardian angel who will forever look upon us. We love and miss you more than any words can explain!

“ Our last big get together was when we went on the cruise to celebrate April & Joe. We had so much fun. The day we were at Progresso, we walked so much. We talked about a lot of stuff and laughed so much! It was so hot and Aimee's back was hurting so bad, but she continued. One of the reasons I thought she would beat the leukemia, she was a fighter! I am going to miss her so much! Rest in Peace, you are no longer in pain. Love you Aimee!

*Love you brother, always! Here for you and the kids!*

*Your sister,  
Debbie*
