“ Tami, Charles and Cameron, I'm so sorry that you lost Ms. Sue. I was honored to be chosen to help care for her and to spend time with your family. Ms. Sue was spunky and sweet. I hope you find comfort knowing that she knew she was loved and cared for. You did everything right and she was surrounded by love when she passed. Sending all of you love and light as you remember her. - Samantha Dolson

“ Tami I am so sorry for your loss. My favorite memory is when our moms saw each other and realized we were related. Sue was the kindest sweetest person to me always. She really helped me through a lot and was always there for me when I lost both my parents. If you need anything please let me know. Just take one day at a time. Love you Cathleen Torres.
