Albert Nedsim Eng

July 3, 1960 – July 2, 2025

Albert Nedsim Eng passed away on July 2, 2025, in San Antonio, Texas, just one day shy of his 65th birthday. He was born on July 3, 1960, in Laredo, Texas.

Albert proudly served his country in the United States Air Force as a Senior Airman and served time in Granada. This chapter of his life reflected his deep sense of duty and integrity. He carried that same commitment into everything he did, both in service and in civilian life.

He is survived by his beloved wife, Melida Melissa Eng, his cherished children, Joshua and daughter-in-law Elizabeth Xochitl, Marinna Eng and Lina Eng, and his 5 grandchildren, Eve Déjà-Noël Xochitl, Cian Seth Cúmhaíge Xochitl, Sage Micah Balthazar Xochitl, Catherine Isis Bianca Xochitl, and Emiliano Matías Palacios; His siblings Elizabeth Fedor, Mayline Hogan, Judy Candias, and Priscilla Eng; and brothers-in-law William Fedor and Raul Candias; and numerous nieces and nephews. Albert's legacy lives on in their strength, grace, and love.

He is preceded in death by his parents, Robert Len Him Eng and Hortencia

Garcia Eng, and by his beloved brother Kenneth Lipmond Eng.

Albert will be remembered for his unwavering dedication to family, his quiet strength, and the deep kindness he showed to those around him.

Albert loved to sing; it was one of his favorite past times with his family. The first song he ever sang for his wife when they dated was Once, Twice, Three Times A Lady by the Commodores. He also enjoyed listening to country, classical, jazz, and Christmas music. He also enjoyed working on computers and creating programs.

Albert loved movies like Godzilla, Christmas movies, and Star Trek; TV shows like Charlie Chan, Religious documentaries, and anything on the Food Network. He also loved sports, spending most of his life supporting the Dallas Cowboys, until he finally came to his senses and switched to the Jacksonville Jaguars, he was also a Spurs fan.

He thrived on helping the community through the work he did with the State Representative; Albert participated in graffiti wipeouts, helped plant trees in parks, strung up Christmas lights at Travis Park in downtown San Antonio. In 2007, he was approached by the vice principal of Thomas Edison High School who asked for assistance in getting books for students, and within days Albert had those new texts delivered. Later he devoted his life to God and the Knights of Columbus at St. John Neumann, becoming their Grand Knight for two years straight and spent the remaining time being the District Deputy. He prospered in helping his community.

Albert also loved to cook for his family and for years every weekend was like a party. He would barbecue brisket, ribs, and chicken all seasoned with his deceased brother-in-law's "element X" seasoning concoction, and he made the best smothered pork chops.

ME

“ My dad was a great husband, father and grandfather; he was a son of God. He cared for his family deeply and was the funniest, kindest yet toughest man there was. He taught me how to be strong , he was the kind of person who can make you feel like anything was possible. Dad was always there when I needed him; my car broke down- he was waiting for the tow truck with me, I needed a shoulder to cry on - he was tall but he would sit and hold me, I needed a babysitter -alright where is my grandson? He never said no. Dad I just want you to know that we miss you so so much, words can't even express. It's been a month and I still don't believe it. So badly do I want to call you after work just to say hi, just to hear your voice one last time. I love you.

“ I met Albert at St John Neumann after a mass about a year and a half ago. He asked me if I wanted to join thr K of C. I did end up joining mostly because of the kindness and love he radiated through his smile. There was something about him...so peaceful and gentle. I felt at ease with him from the start. Even though we were not close friends, he was my friend and so a brother Knight. Even though I knew him for a short time, it felt like I knew him from a past life. I was very sad to hear of his passing, so much so that I couldn't deal with it. It just felt surreal...how could we have lost such a good man so suddenly? Just a couple weeks prior we had a really nice conversation and I told him how much he meant to me because I knew he was sick. He was so humble and had such a warmth about him when we spoke that last time. Although nobody is perfect, I know in my heart that Albert was the real deal. He lived his faith to the best of his ability and genuinely cared for people. If ever there was a saint, I know that Albert is a saint even though he may never be cannonized. I apologize for not being at his Rosary or funeral, it was just too difficult for me to face after losing my family and friends to death over the years. Albert lives on in my heart and in truth too. I believe that he and us will never die...just move on...turn the page. Death is the great unknown, the great mystery thst we should not fear. When my time comes I know that my family and friends including Albert will be there to welcome me and hopefully he puts good word in for me. May our dear brother Albert rest in peace.
