“ I was so sad to hear the news of Albert's passing. I coordinate the volunteer dinners at the American GI Forum where my company's employees have an opportunity to give back to our nation's veterans. I was blessed to have the opportunity to meet Albert and get to know him during these visits over the last two years. He was very kind to me and we enjoyed a lot of laughs. We had this longstanding joke about how long I spent preparing the meal. He would say "Jeanah, how long this time?? and I would reply "All night!! A long 8 hours and you better enjoy every bit!" He would just wave me away. I am grateful for the little bit of time I had getting to know him. And I will miss him. Rest easy my friend.

“ *I was his dialysis technician at Davita. He was so very special to me. I've known him for over 6 years now and he was such a good and sensitive man. Him and I shared so many special and deep conversations. He was truly a gift in my life.*

*You always hear people say that this is a small world. I have known Albert for over 10 years and have known Fernando for over 20 years but did not realize the connection until earlier this year when I was working on a slide show for Roland's passing and kept seeing pictures of Albert. I ask Fernando why is Albert in all these pictures and he said Albert is my wife's brother also. I would see Fernando at work 5 days a week and see Albert at my dialysis treatments 3 days a week and had no idea of the connection. At one time Albert myself and my oldest son were sitting side by side on dialysis. My son received a kidney transplant almost 3 years ago. Albert would always laugh at my son because he would show up to dialysis with a dozen tamales and eat all of them. Albert had just ask me about him last week. Albert would always say hello to me at dialysis every time I would see him. He will be missed very much. May God Bless and Keep You in your time of Bereavement.*
