“ *Our heartfelt condolences to the Ruiz family. We will never forget the beautiful nights spent drinking in the cul-de-sac with our neighbor Albert. We formed a close bond between our families there at that circle. We will forever cherish the beautiful memories spent with our neighbors. We lift the family up in our prayers and ask God to comfort you all with peace in understanding that Albert is where we all yern to be one day. May the Perpetual Light shine upon him always....may he now rest.*

“ *Growing up we really didn't have friends, our cousins were our family and friends rolled into one. I have many memories just not so detailed anymore. The very best memories were the times we spent in Monterey Mexico. Especially Christmas, because we were all together. Never had a doubt that he and everyone else would be there. Those were the best days of my life. I love Beto, you will never be forgotten. Emma, Laura and Eric. Tia, Janie, Martha, Eva and the whole family my heart and my love are with. God bless*
