“ *Sincere condolences to her children and grandchildren. Tia Ale was a kind, soft spoken, sincere and loving person. She accepted me into the family with open arms and it brought me joy every time I got to see her and talk to her. She had a great sense of humor and always had a joke to share. She reminded me a lot of my mom. She will be missed greatly and I will treasure the memories I have of her.*

“ Tia Ale was a wonderful, wife, mother, grandma, aunt, sister, and to many a friend. She was always there to give a helping hand whether in the nursing home taking care of Tio, as well as helping with my mom, whom she looked at as a sister, whenever she could. You and your great sense of humor which you had till the very end will greatly be missed. I will remember for ever those words you said to me the last time you were able to speak clearly to me, " Have you lost weight ?", loved it. Should have taken more time to talk to you more often. Love and miss you.

“ I loved how she took my sister and I in as her own. Even after the split, she was always there to offer advice or her love onto me. I am so glad to have known her and been able to grow with her guidance. She will be missed.
Love, Bianca
