

Alex Jasso

February 7, 1986 - November 8, 2021

Alex Jasso, dad, brother, uncle, friend passed away on November 8, 2021 at his residence in San Antonio, Texas. He was born on February 7, 1986 in San Juan, Texas to Miguel Jasso and Enedina Guzman. Alex was preceded in death by his parents. He is survived by his daughter, Madison Nicole Jasso; sons, Darius, Axel and Maximus Jasso; sisters, Susanna Barbosa (Omar), Nancy Jasso (Martin Cerecedo); brothers, Miguel Jasso, Jr. (Cher), Alfonso Jasso (Jessica), Danny Jasso; niece, Sienna Jasso; nephews, Omar Franco Barbosa Jr., Romel Barbosa, Preston Jasso, Derek Barbosa, Michael Jasso, Mark Cerecedo.

Alex most important thing was his family and friends. He always tried to make sure that he made memorable memories because you didn't know if you had tomorrow. All our family loved this part of him even though we would try to talk him out of some of his adventures. We reflect now about his decisions and we are happy that he had the opportunity to enjoy as much as possible out of life. He recently went sky diving and we all freaked out but he did it and I'm proud of him. He went after what he wanted.

Our little brother was one of kind. At a young age, he liked to get into trouble but not too much because he had excellent grades. In High School, he was crowned the first and only Mr. Donna. He got a crown and everything. Our father passed away, his senior year of high school but he navigated through

the devastating loss and helped my mother and little brother, Danny. Two years later, he went on to college at UTSA and married Bianca Garcia from Donna where they went on to have 4 beautiful kids. After many years together, Alex and Bianca divorced but they found common ground for their kids.

He lived the best part of life. He had 4 kids that loved him, and he loved them so much. For every holiday and non-holidays, he would try to make the best out of it. In Halloween, he always had a theme for the whole family. In Christmas, he made sure his kids believed in Santa Clause and went out of his way to make it very special for them. He would attend father and daughter dance, movie days on their birthdays, and many more things. His greatest joy was being a part of his kid's activities, goals, and dreams. He was a soccer coach, scientist, beauty customer, Santa Clause, and best of all THE BEST DAD!

His all-time favorite football team was the Green Bay, Packers and he liked playing video games. His favorite color was orange. When he made a decision, he didn't waiver.

Alex made sure family events were a priority and he tried to be present for all of them. We had many conversations of encouragements, support and blessings for each other. Life wasn't always rosy, but he trusted that things would be ok with the support of his family and friends.

He worked with many wonderful people at Wells Fargo and he truly enjoyed what he did there. Our family appreciates all of the support you have showed our little brother throughout the years.

Alex had a beautiful spirt and we are going to miss him so much. He was a big piece of our family and we don't know how we will get through his loss.

Dad and Mom take care of Alex and we will see you guys in heaven one day.

LOVE YOU ALEX!

My deepest condolences to the family. I worked with Alex at Firstmark Credit Union. I was his Assistant Manager and can tell you that he was such a kind hearted person and his sense of humor was contagious to get us all in a good mood! Always willing to help out where needed. As Alex use to say to me “Awesome Possum” & “Easy Peasy” because that’s what he said he would tell his kids. He knew how to bring laughter to me when I had a rough day. ❤️🙏

“ *Our deepest condolences to the Jasso Family on the passing of their brother. He was a nice young man. A great father to his kids. He left us with wonderful memories. Everytime we would get together he would greet us with a hug. Holidays , and birthdays were special moments for us. Even though he was a Green Bay Packers Fan, and we are Dallas Cowboys Fans haha, we never divided over it. Alex thank you for all the joy you brought us and we will always love you as you were our own son and always will. May God give the Jasso strength as you begin to heal, and continue without him.*

“ Alex and I were close in age. We were both so young when our families united with the marriage of his brother and my sister. I will always remember the family gatherings, the hellos, the hugs we greeted each other with, and of course seeing him become a father and seeing how wonderful he was with them. My heart breaks over his loss, and more so for my wonderful brother in law Alfonso and all the Jasso family. Our families have shared so many memories together, and I am thankful that I was able to know Alex and consider him family. To the Jasso family, please know that we are here for you, and in our thoughts and prayers. Fly high Alex 🕊️❤️

“ When I was younger Alex use to work for pizza hut. And he would occasionally bring pizza or pasta home. Which was typically not normal part of diet and typically considered fancy food. So I thought Alex was some Pizza God. Haha.

“ I miss you alex. Cant wait to see you again one day.
When I moved to dallas and would visit every 3 to 4 months, i would miss so many events back home.
He always had so much news of what had happen during the few months.
I few home for just 2 days, and he said he had a new car, then next time he was crowned Mr. Donna, then next he would graduate soon, then moving to San Antonio, then he met a girl and they were getting married, then a baby, then a second, new house. It was always like that when speaking too alex. So much news all the time, such a good memory of the good things happening in his life. Hope some one can carry on his manner of being.

“ I may not have any pictures of Alex, but I do have the memories of always saying hi, he was such a gentlemen and sweet guy. I can still hear his voice and waving hi/bye to each other... he always had a happy smile. I can still picture him walking in the hallways ❤️. May he rest peacefully, my condolences to his family 🙏

“ Hearing of Alex passing was a total shocker for me. I remember
being at the house while his mom was pinning me up for several
dresses/outfits/uniforms and he was at one point SO SUPER SHY
(🙄) but that ended quickly in high school. Always so sweet, kind and
respectful. Praying for his family and peace for his soul. The class of
2004 sends it's condolences. 🙏

“ The first time I saw Alex he said he was Mike's twin. He was funny and made me feel part of the family right away. He was a good brother in law and a good brother to Mike. He and Bianca always had something planned for their kids and they came to see us on so many occasions, even visited right away as soon as our kids were born. Alex, we miss you!

“ Such a great brother just like my other brothers and sister. He always had such fun things planned for his family, it is almost as if he knew it would end this fast. And me being the older brother always trying to talk him out of things. Like he said was going to drive to see snow up north in middle of the night, or going on a cruise, or going to Disneyland, or going to NYC for my wedding, or to Vegas the list goes on and on. Some how he and Bianca were always going some where. He and family showed up in middle of the night to see my new baby girl. None of these activities are easy, not easy being single, difficult if married, impossible if you had 3 babies of your own.

“ I am deeply saddened by the passing of Mr. Alex Jasso. I knew him for many years and saw him grow into a great young man. He was a great Father to his children and always had a smile on his face. I will cherish the great memories with the Jasso Family gatherings from the holidays, to birthday party's, game night, and karaoke. You will be missed Alex, thanks for the conversations and the great laughs. To The Jasso Family especially my brother in law Alfonso, you are in my thoughts and prayers. Please know that The Hernandez Family is here for you in every way. God Bless You .
