

Alex Edwin Reilly

February 27, 1970 - March 15, 2020

Alex Edwin Reilly was welcomed home by his Loving Lord Jesus on March 15, 2020. He is survived by his beloved wife Ruby of 27 + years. He is also survived by his parents Edwin and Victoria Reilly, brother Martin, sister, Jill (Mike Jeziorski), and nephew Lukas Michael Reilly Jeziorski. His beloved Grandparents and God- parents, Dr. A.M. Orlando, and Viola Windham Orlando preceded him in death. These grandparents called him “Little Doc” as he excelled in medical knowledge and concepts. Alex also was preceded in death by his fraternal grandparents, and fraternal and maternal aunts and uncles. Alex is also survived had numerous aunts, uncles and cousins. Alex attended Central Catholic High School, graduated Roosevelt High school and then attended San Antonio College, and Northwest Vista College. He was active in Scouting for many years. Alex married Ruby, the love of his life on September 27, 1992.

Alex did many kinds of work, such as working in nursing homes, plumbing work, insurance work and aerial photography. Alex loved his beloved cats and was a supporter of the Helotes Humane Society. He was kind to turtles as well as other wildlife. He enjoyed going with Ruby to Big Bend National Park numerous times. He most enjoyed going to Rockport, Texas with Ruby: the call of the Sea, the beauty of sunsets, and the wonderful seafood that he so enjoyed.

Alex had an infectious laugh and sense of humor, being well known for his use of puns. He was known for his excellent spelling and we could count on being

corrected if we misspelled a word on Facebook. He had an excellent memory for family events and history and was dearly loved by all who knew him for his 50 years of his life here on Earth. We await our reunion with him in Heaven:

Alex is in our future, thank you Lord Jesus, Amen...

Mass and grave side services are pending.

VR

You were in recent times, my texting buddy: We shared political views on which we almost always agreed; you were always on top of the medical issues, so we often shared our theories on health; we shared love for all things great and small, especially kitties, like our Buddy and Grandma Viola's Lucy Cat and Honey Bunch; but even from the earliest days you and I could agree or disagree Italian style, which was noisy to others, but made sure that we understood each other. We shared your love for Rockport, the beach, the skimmers and their babies each year, the food at CP's, and your love for Ruby, the love of your life to whom you devoted your time and concern faithfully. You always showed your concern for you big brother Martin in many ways, and were always interested in Jill, your sister, and her husband, Mike and their son, our only grandson, Lukas. You and Dad could always talk about mechanical and science issues and he always was impressed by your knowledge. You were such an important part of our lives. Truly, we all fit together like a very special puzzle..and though we all probably puzzled others, we ALL knew that we were a united and loving family. Though we will miss you very much for now we thank Jesus, that we will see you again in the Eternal Peace of Jesus. Amen. P. S. We love you! Mom and All.
