That was a beautiful video but I would like to have seen a little more pictures of when he was small. There's too much time in between the pictures therefore more pictures were needed in my opinion. Just saying.

My deepest sympathy to the family. I played in the band Grooveline with Al back in the mid nineties. My prayers for you all.

I have to say it was a blessing to have played and been friends with Al since Burbank days, he rocked that guitar like nobody's business, that and his friendship will be greatly missed. God bless his family.
