“ We are deeply saddened by the news of Uncle Alfonso passing. A person that departs from this earth never truly leaves, for they are still alive in our hearts and minds. Through us, he will live on. He will not be forgotten . Rest in Peace Uncle.

“ *Losing a brother is such a sad event, I will always cherish the memories and all our time spent. I know you’ve joined our beloved mom and sister and my dear wife in heaven above, the reason I know is because I feel your love. People always said we resembled each other and every time I look in the mirror I will remember and miss you brother. - Mike San Miguel*
