

Alfred Eric Menchaca

November 16, 1972 - August 13, 2021

Alfred Eric Menchaca went to be with the Lord on, August 13, 2021, at the age of 48. Eric was born on November 16, 1972, in San Antonio, Texas. He is preceded in death by his beautiful mother Rosie Luna Menchaca.

Eric graduated from South San West Campus HS in '92. He worked at Spartan Nash for many years, but his passion was always with his family. He was the best husband, father, son, brother, grandpa, uncle and a loving friend. He enjoyed taking motorcycle rides with his friends and family. Through the many friends he made at various motorcycle clubs and organizations he enjoyed the camaraderie of his bike brothers.

Eric impacted many families to include his life-long friends who he considered his Brothers. His big heart and kindness was a blessing to anyone who met him. The laughter he brought to any gathering is what will be most missed by all who knew him. We will cherish those memories forever.

Eric is loved and will be missed by his many family and friends. Left to cherish his memories is his wife of eighteen years Christina Chassiagne; children Carisma Saenz, Divina Saenz, Catherine Menchaca, Meila Menchaca, Jacob Menchaca, Brandon Menchaca, Vincent Martinez Jr, Donnie Menchaca, Leo Menchaca, grandchild Romeo Selles; his Father Alfred R. Menchaca (MaryAnn); Sisters Sandra Alvarez Cantu (Roland) and Ida Lopez; Brother, Julian Menchaca, numerous Nieces and Nephews whom he loved as his own and many friends and extended family members.

“ *Our sincere condolences and prayers to the family of Alfred Menchaca. You were a long time client to our Insurance Agency. You helped paint our offices and got them all ready for our opening day! You always had funny stories each month you came in. May you be riding hiding with the Lord.*

“ *There's so many things to say about you bro. You never back down from anyone or anything. All the great times we had I'll never let go. Remembering the time your mom call me to go pick you up from county there was no hesitation I was like I'm on my way. Even when I was in bad places you would always be there for me bro. I'm so glad I got a chance to help work on your bike with you. But it still sticks with me the day you called and I couldn't help I feel like I let you down but I know you understood I didn't have a trailer to help with the bike. Great times at the lake on the jet skis always riding backwards only us. We love you ROC RIP.*
