

ALFREDO "FREDDIE" ALVAREZ

April 19, 1969 - November 16, 2022

Alfredo "Freddie" Alvarez, age 53, passed away Wednesday, November 16th 2022. He was in the midst of bravely battling cancer for the third time. Freddie was born on April 19, 1969 in San Antonio, TX to Julian and Angelica Alvarez. He graduated from Thomas Jefferson High in 1987 where he met the love of his life of 32 years, Paula. Freddie never let her forget about her Lassos days. He was a wonderful and dedicated father to his children Celeste & Derek; coaching CYO sports, caring for their every need, he loved them with all his heart. Freddie worked for Oberthur Technologies, Harlen Clark, and was a Transportation Specialist for VIA for 11 years. We will always remember him for being a professional napper, as well as being proficient at sneaking in one more tortilla, slice of cake, or a kiss from Paula.

Freddie is preceded in death by his mother Angelica and sisters Cindy and Janice. As well as his Paternal and Maternal grandparents.

He is survived by his wife, Paula; his baby girl, Celeste (Shayne); his big boy, Derek; fur-paw-kids – Rover "Guero" & Suki girl; extended family Abel, Patsy, Ashley (Jonathan and Aubrey); father Julian and Alice Alvarez; brother Julian Alvarez Jr. (Jackie); sisters Liz Reyna and Nena Vargas; and the many family & friends his beautiful soul has touched over the decades.

A special thanks to St. Lukes and Central Catholic community for their loving support during these trying times, and Compadres Joel & Brenda Aguinaga. As well as the Methodist Hospital Neurology Team and Doctors who were extraordinary with our beloved Freddie.

A service for Freddie will be held on Monday 28 November from 4 -8 pm with a Rosary @ 6:00 pm at Alamo Funeral Chapel. A Memorial Mass will be held on Thursday, December 8, 2022 at 10:00a.m. at St. Luke Catholic Church, 4603 Manitou Dr., San Antonio, Texas 78228

“ *I'm so sorry for your loss Alvarez family. I was not at VIA too long when I was called up to the station foreman and asked to take a student with me on my route. I was not yet been a part of training and had not even considered it but thought it would be fun. It was Alfred. He was sooooo nervous he was trembling when he was driving and more so when interacting with customers. I enjoyed working with him that day and I can honestly say that day did put the thought in my head to maybe one day possibly work in training. I am now a Supervisor in training for the last nearly 10 years and Alfred was my first student. That day is so vivid. He missed a turn, got stuck at a track with a stopped train, and we were 28 minutes late when he finally got us to the end of the line. He was so sorry and apologetic. In my report I made it a point to say that I believed Alfred would make a great operator.....once he gets passed his nervousness. I know him to be that and more. He was a kind person. A humble person. I am so sad I did not get to go to the services. I will miss him.*

“ I was so sad to hear the news about Freddie. I have many memories of us as little kids roaming the streets around the neighborhood. His sister Janice was my best friend back then, so we hung out every day during the summers. We had to bring Freddie and my brother Joey if we wanted to go swimming or hangout at the rec center. They were our two shadows. Those fun memories will stay with me forever. My deepest condolences to Paula, their kids and the Alvarez family. I know this family has suffered many losses over the years. My prayers are with you.

“ We can't express how much our consuegro will be missed. He was like a second father to our son, Shayne Allen. Always smiling and happy. Never did we see him down. He loved his family tremendously and showed it in everything he did for them... no matter how big or small it was. All these things he did will surely be missed. He was a tremendous husband, father, and friend and life couldn't have given us the privilege of knowing such a great man.

We love and miss you 🥹 Freddie.. Raymond & Corina Allen
