“ Hello! I hope this finds the family of Mr.Vega well! I am a former student of Metzger Middle School. I am about to graduate (late).I was in disbelief to see that my favorite teacher of all time, had joined the Lord already. Mr.Vega was the only reason I looked forward to going to school, he was the gentle adult guidance I needed in my most troubled years of my childhood. He was so patient, and kind. My best friend and I would nag him and follow him everywhere he went because he seemed to be the only teacher who could understand us, help us, and make us laugh. When we found out his first name, sometimes we would say "What up Mr. Alfredo Vega !" He brought back my motivation and academic satisfaction when I thought I had every reason to quit. At that time he seemed like the only adult who believed in my capabilities to grow up and be a sophisticated young lady. He was right, Thank You Mr.Vega, I did it !!!! Every other week I think of how he believed in me. I send my condolences to the amazing family of Mr.Vega, he is truly missed by many.
