“ *My sweet, loving Nana. I will miss her forever. I have nothing but good memories. She was one of the greatest women I know and will ever know. Always happy and always thinking of others. This was not an easy goodbye. I love and miss her dearly and will forever. I am happy she is with my Papa now but sad to not have them both here with me.*

“ *I have known Alice for years and was stunned by this news. She is now reunited with Rickey. She always had a smile on her face and I don't think I ever saw her upset at anyone. She loved helping people. God has gained a great person.*

“ What can I say to Steven, Lindsay, & Brady but that I loved her. We were friends since I can remember, the last thing she said to me was, “remember how we used to listen to music in your house?” We enjoyed each other’s company & enjoyed every moment of it! I’ll miss her terribly . She didn’t know a stranger! She loved everyone & everyone loved her. Till we see each other. Adios mi amiga!

So sorry for the loss of this very special lady. I worked with Alice at Frost Bank for many years and experienced nothing but kindness from her.

Alice was a great lady and a beautiful co-worker. I loved Alice and so did her clients. We will miss her and her sweet voice. She baked the best cakes. May she Rest In Peace. Condolences to her entire family.

Alice was a wonderful friend and we spent many Christmas Eve parties at my house. She and Ricky were wonderful, warm friends. We shared many special events in our lives and loved Steven and his family. Our condolences to your family. We were not in town when Ricky passed so I am sure he is glad to see his wonderful wife again. Steven, please stay in touch and let us know if we can help you with anything.
