“ Martin, you offered patience and compassion to the Lincoln family when we lost our mother and father in Aug 2016 and March 2017. I remember how lovingly you talked of your own mother. Now, I send you my own sympathy and wish you much comfort and strength.

“ Martin, both Mark and I are keeping you and your family in prayer during this very difficult time. We also wanted to thank you for allowing us the opportunity to meet your mother, she was a pleasure and a character to talk to. She had this way of telling stories. Her laughter, smile and kind heart really helped in telling them. She will be missed. We love you Martin ❤️🙏

“ I remember some times when Alice would come to Tucson in winter and she and your Aunt Eloise (Michael’s mom) would make the most amazing and delicious Cocido at your Nanas house on Huron. Some amazing great food memories. (Of course once in awhile you would be there too but that’s another set of stories for another time). Now if I want Cocido I have to go to Taco Giro around the corner and it’s good but it doesnt have that missing love ingredient. And since it’s so close to your Nanas house I never fail to think of Alice and Eloise making a batch of liquid love. Just one Alice memory but it’s a good one. You and your family are in my thoughts and prayers.

“ Alice was one of the strongest women that I had the pleasure of knowing on this Earth. She always thought about others and what she could do for them. She loved her family and was very proud of them. Her smile will always be remembered by those that loved her and she will truly be missed. May God take care of her until we all meet again.
